

Meanwood Valley Volunteer Rangers

Leeds City Council and the Meanwood Valley Partnership have been awarded Lottery funding to encourage people to discover, celebrate and protect the wildlife of the Meanwood Valley.

The Meanwood Valley has long been celebrated as a 'green artery' in Leeds, bringing rural countryside into the heart of the city. In this green corridor is a rich mosaic of habitats and wealth of wildlife, including many protected sites and species.

As part of this project we would like to encourage local people to join us in setting up a new Meanwood Valley Volunteer Rangers group, to protect, promote and improve this fantastic green corridor, through practical conservation volunteer tasks and wildlife surveys.

If you would like to join us to set up the Meanwood Valley Volunteer Rangers or would like more information then please contact us on:
